| Event description:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                       |
| <p>On April 8<sup>th</sup> 2026, a visit of high school students to the Faculty of Technical Sciences Kosovska Mitrovica was organized ahead of the upcoming enrollment period, giving future students the opportunity to get familiar with the faculty, its study programs, and academic environment.</p> <p>During the visit, students toured the faculty premises and laboratories, gaining first-hand insight into teaching facilities, equipment, and practical aspects of studying.</p> <p>The attendees were addressed by the Dean, Prof. Dr. Zoran Golubović, as well as the Vice Deans for Teaching, who provided more information about the enrollment process, study opportunities, and student life.</p> <p>As part of the event, Erasmus+ projects were also promoted, including SPHERE. Students were introduced to the possibilities these projects offer, such as international cooperation, mobility opportunities, and participation in initiatives that enhance both academic and professional development.</p> <p>This event has been published on the following link:</p> <p><a href="https://www.instagram.com/reel/DW4iiL6CLK_/?igsh=MTh4d2Nka2Z5enZqYQ==">https://www.instagram.com/reel/DW4iiL6CLK_/?igsh=MTh4d2Nka2Z5enZqYQ==</a></p> |                                                                                                       |
